

Documents needed to open a bank account

For individuals:

- a) An account application;
- b) A client application form;
- c) A copy of an ID card (an original copy should be on hand when submitting the documents);
- d) A specimen signature card (if any).

For individuals aged 14 to 18:

- a) An account application with a specimen signature signed by a minor client and additionally signed by his/her lawful representative (parent, adoptive parent or guardian);
- b) A client application form with a minor's specimen signature (this form should be signed by a minor and additionally signed by his/her lawful representative);
- c) For minors – a copy of an identification document (an original copy should be on hand when submitting the documents);
- d) For minors aged 14 to 16 – a client application form with a minor's photo and signature additionally signed by his/her lawful representative;
- e) A lawful representative's ID card;
- f) Documents evidencing that a lawful representative is authorized to represent a minor (a birth certificate, court judgement or other documents stipulated by the KR law).
