The tariffs are applicable in all branches and outlets of the Bank. The tariffs can be modified. Information about changes and modifications to the tariffs is published on the Bank's website at least 30 calendar days prior to the effective date and is also placed on the information boards in the Bank's offices. The tariffs include taxes according to the applicable law of the Kyrgyz Republic. Other account service tariffs are set according to the Bank's Schedule of Fees. The Bank sets limits for online banking operations: general limits – as per established regulations of the Bank, and individual limits – as per a Client's application.
